

Nailing REO Inspections

WEBINAR • APRIL 21, 2009 • 2:00 - 3:00 PM ET

Sponsored By:

Nailing REO Inspections gives Realtors and appraisers complete how-to instruction for performing appraisals during a BPO, URAR, drive-by or FHA inspection.

Learn disclosure standards and get specific steps for REO inspections.

Find out how to accurately assess individual repairs to ultimately produce an overall "cost-to-cure" analysis.

Get tangible specifics for pricing-out repair work - as well as recognizing the value in simply selling 'as is.'

REO-appraisal expert Deanna André provides hands-on instruction to help you streamline inspections - whatever your level of expertise. The live audio/video tutorial of our webinars creates an unmatched learning experience.

**LEARN EVERYTHING YOU NEED TO TAP IN.
REGISTER TODAY FOR NAILING REO INSPECTIONS.**

EXPECT TO LEARN:

- Steps for accurate inspection and repair assessment
- Standards for disclosure
- Checklist items for FHA compliance
- Value tradeoffs between repair costs and selling "as is"
- How to price-out overall repair costs to include local labor rates, materials, replacement and removal

*There's never been more REO work available...
Are you taking advantage of it?*

*There may be an entirely new revenue stream right under your nose.
Maybe all you need is a little direction to start tapping into it.*

*Maybe you've already done REO inspections and want to streamline the process.
What about ramping-up? The work is definitely there.
...becoming the authority in your market might be nice...*

WHATEVER THE CASE, NAILING REO INSPECTIONS IS YOUR TICKET.

Learn to find the best sources of work, how to get the assignments, and what to do with them when you do. Inspection steps, disclosure standards, specifics on pricing-out repair work, and repair vs. 'as-is' tradeoffs will all be covered.
